# Sponsors sought for Chamber of Commerce's 5K Run

Waldwick 5K Run organizers expect close to 1,000 runners and walkers will take part this year in the popular annual event, and they are looking for sponsors to help support the massive undertaking. Last week, Waldwick accountant J. Patrick Quast was first to sign up. Additional sponsorships in the platinum, gold, silver, and bronze categories are being sought, as are prizes for medal winners. The sponsorship deadline is March 14.

The 7th Annual Waldwick Chamber of Commerce 5k Run / 1 Mile Walk is scheduled for Sunday, May 4. The proceeds help support local charities as well as school and volunteer organizations in the community. Recipients from the 2013 event, which had Massage Envy as the Presenting Sponsor, included:

- Two local heart charities, the Sean Fisher Memorial Foundation and Hope with Heart
- Five \$500 scholarships to Waldwick High School

graduates

- Waldwick HS Booster Club
- Waldwick Ambulance Corps
- Waldwick Community Emergency Response Team (CERT)
- Waldwick Volunteer Fire Department
- Waldwick Golden Club (Senior Citizens)
- Waldwick PBA
- Waldwick Post 57 American Legion towards their care packages for the troops overseas program

• Valley Hospital Butterflies Program

The event, which is USTF-NJ certified and holds Grand Prix status, attracts runners from surrounding towns and from as far away as Minnesota and Georgia. Last year 625 runners as well as over 100 walkers crossed the finish line, with Waldwick residents making up over 40 percent of the roster.

For more information about the 5K Run and registration and sponsor forms, visit the Waldwick Chamber's website: [www.waldwickchamber.com](http://www.waldwickchamber.com).

## Police lieutenant

(continued from page 3)

the lieutenant's duties, and a civilian could be hired to perform others if such an arrangement were to be negotiated with the PBA.

Messner said under Civil Service rules, new ranks can't be created nor job descriptions be changed. Borough Administrator Gary Kratz said that if an officer works out of title for a number of days, he must receive the pay for that title.

Kratz added that each of the four squads needs a head, while the detective's position was created to be flexible and work outside the squad time.

"We have the need for those positions on the organization chart," Messner stressed.

LT. Moore joined the Waldwick Police Department as

a dispatcher in 1990 and entered the Police Academy to become a police officer in August of 1992. He spent five years as a patrol squad sergeant before being assigned to the Detective Bureau in June, 2010.

"I look forward to the position of lieutenant but will miss the Detective Bureau at the same time. I enjoyed the opportunities I had to work on many different challenging cases and interact with our residents and other law enforcement agencies," Moore said. "The role of police lieutenant will certainly present many new opportunities and challenges for me. Historically the Waldwick Police Department has had senior officers and supervisors provide exemplary guidance for the newer officers. The department is getting younger and one of my goals is to continue to have the experienced officers and supervisors provide the same guidance and mentoring that we all received. I am looking forward to working with Chief Messner in an administrative role and securing the tools and information that our officers need to do their jobs successfully," Moore added.
