2017Native Instruments Traktor 8-Inch DJ Cable for iPad/iPhone With the Native Instruments Traktor DJ Cable you can pre-  
listen to the next track before the crowd hears it! Traktor DJ Cable is the top-quality cable for Traktor DJ.. Jul 15, 2011 Virtual  
DJ and Traktor Pro do it fine, and djay for iPhone / iPod Touch and djay for iPad do too – the cable featured above is marketed  
for use with their software, after all.. Monitor cued tracks when DJing with Traktor DJ and Traktor Pro for ultra-smooth  
mixing.. But you need to check whatever you're using first, especially if you have an "LE" version of your software.
